Welcome, Meeting Purpose & Introductions
Agenda

- Review Action Items
- Community Updates
- SWACH Partner Reporting
- Pathways Community Benchmarking
- Future Direction
Action Items from Last Meeting

• Revisit PeaceHealth and Legacy representation at Data Workgroup (SWACH)
• Share draft partner reporting guidance (SWACH)
• Share RHIP Council dashboard (SWACH)
• Share information about measles outbreak (Clark PHD)
• Share SDOH screening questionnaire (Providence)
Community Updates

Workgroup members share any data related updates from their organizations: new or updated data sources, data projects, new analyses, exciting news, etc
Workgroup Member Updates?
Community Priorities Project
Measles Outbreak Data
SWACH Updates

- Welcome Kim!
SWACH Partner Reporting

- Review baseline results
- Review Q2 report template
SWACH Partner Reporting

SWACH has finalized partner reporting schedules and guidance

Baseline Opioid Questions (to date)

Of the 6 clinical partner organizations participating in an opioid project...
Opioid Prescribing Guidelines (to date)

AMDG and CDC prescribing guidelines are most popular

- AMDG / Washington State: 83%
- Bree Collaborative: 0%
- CDC: 67%
- Other: 0%
- None: 17%

N=6
Clinical Decision Support (to date)

More than half have some level of clinical decision support for opioid prescribing

- Integrated morphine equivalent dose (MED) calculators: 67%
- Links to opioid prescribing registries or Prescription Drug Monitoring Programs (PDMPs): 67%
- Automatic flags for co-prescriptions of benzodiazepines: 50%

N=6
Protocols (to date)

All have screening protocols to evaluate patients with opioid use disorder for behavioral health interventions

- Screening and treatment occurs on site for depression and anxiety: 100%
- Screening occurs on site for depression and anxiety, and patients are referred for treatment: 67%
- Contracting with providers who offer these services: 0%
- Formalized referral relationship (through MOU or similar arrangement) with providers who offer these services: 17%
- Informal referral relationships with providers who offer these services: 50%

N=6
Q2 2019 Report Template
Pathways Community Benchmarking

Brainstorm ways for Pathways to monitor progress against community standards
Example: Housing Pathway

- ID client in need of housing
- ID why housing is required
- Schedule meeting with housing organization to discuss options
- Confirm client kept appointment and whether client is on waiting list
- Follow up bi-weekly to monitor progress
- Confirm client has moved into housing for at least 2 months
Example: Housing Pathway

Length of Time Homeless (median days), 2018

- Washington State: 147 days
- Clark: 110 days
- Klickitat: 64 days
- Skamania: 118 days

Data source: Washington State Homeless System Performance Dashboards
https://www.commerce.wa.gov/serving-communities/homelessness/homeless-system-performance/
Employment Pathway

- Client requests assistance in obtaining a job
- ID education and work history and barriers to employment
- Work with client to complete resume
- Work with client to monitor applications
- Confirm client has found consistent source of steady income / employed for 3 months
Which Pathways need Benchmarks?

- Adult Education
- Behavioral Health
- Developmental Referral
- Developmental Screening
- Education
- Employment
- Family Planning
- Health Insurance
- Housing
- Immunization Referral
- Immunization Screening
- Lead
- Medical Home
- Medical Referral
- Medication Assessment
- Medication Management
- Postpartum
- Pregnancy
- Smoking Cessation
- Social Service Referral
Next Steps

- Volunteers to help with continued community benchmark brainstorming?

- Pathways Advisory Council looking for a data guru
Future Direction

- Review charter
- Future role / tasks for the workgroup
Wrap Up

• Next Meeting: August 1st

• Review action items
