COVID-19

• Public Health
COVID-19

• How communities of color and immigrant communities are experiencing COVID-19
  – Access to information and resources
  – Economic impacts
  – Health and social impacts
COVID-19 Discussion

1) How is your organization preparing for the next phase of COVID-19?
   a. Reopening clinics, resuming surgeries and procedures?
   b. Handling the increasing number of people who qualify for Medicaid?
   c. Supporting an increasing number of unemployed people/people with food and housing insecurity?
   d. Supporting behavioral health needs?
   e. Supporting your workforce?

2) What can this group collectively address to support regional efforts?
